INDEPENDENT AUDITORS' REPORT

To,
The Members of
OXFORD INDUSTRIES LIMITED.

Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of M/s. Oxford Industries Limited ("the Company") which comprises the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss, Statement of Changes In Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the State of Affairs of the Company as at 31st March 2019 and Statement of Profit & Loss and its Cash Flow Statement for the year ended on that date. We express a Qualified Opinion in respect of financial statements of Oxford Industries Limited.

Basis for Qualified opinion

We have conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

- (a) No interest has been provided on Secured Loan (Bankers/Institutions) in the financial statements for the year. This is contrary to Indian Accounting Standard (Ind AS) 37 on "Provisions, Contingent Liabilities and Contingent Assets", issued by the Institute of Chartered Accountants of India and the accounting policy being followed by the Company. Had this accounting policy been followed, interest charged to revenue would have been Rs. 1,209.89 lacs. This short provision of Interest has resulted in loss for the year and Secured Liabilities being understated by Rs. 1,209.89 lacs.
- (b) The Company has a net loss of Rs. 34.02 lacs (without providing interest of Rs. 1,209.89 lacs as mentioned at para (a) hereinabove during the year ended 31st March 2019 and, as of that date, the Company's current liabilities (including overdue term loans, working capital loan and interest accrued and due thereon) exceeded its current assets by Rs. 2333.43 lacs and its total liabilities exceeded its total assets by Rs. 2333.43 lacs [without providing for interest of Rs. 6,795.20 lacs (Rs. 1,209.89 For financial year 2018-2019, Rs. 1,046.05 For financial year 2017-2018, Rs. 904.90 for financial year 2016-2017, Rs. 785.17 for financial year 2015-2016, Rs. 677.95 for financial year 2014-2015, Rs. 589.66 for financial year 2013-2014, Rs. 514.73 for financial year 2012-2013, Rs. 569.98 lacs for financial year 2011-2012 and Rs. 496.87 lacs for financial year 2010-11)]. These factors, along with other matters as set forth in para (c), raise doubt whether the Company will be able to continue as a going concern. However, the accounts for the year have been prepared on the concept that Company will continue as a going concern.
- (c) Auction of Manufacturing Facilities of the company under SARFAESI Act, 2002 and Recovery case in DRT.
Indian Bank (Lead Bank) auctioned both the facilities of the company i.e. weaving unit and process house at Ankleshwar, under The Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (SARFAESI Act) in February, 2012. Further, Indian Bank consortium had filed an application no 24 of 2011 in Debt Recovery Tribunal (DRT) No 2, Mumbai for recovery of dues. This application is still pending for judgment.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is no a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The Company has no branch office and hence the company is not required to conduct audit u/s 143(8) of the Act;
- (d) The Balance Sheet, the Statement of Profit and Loss and the Cash flow statement dealt with by this Report are in agreement with the books of accounts;
- (e) We draw attention to clause 'f' of Note No. 4 to the financial statements. No interest has been provided on Secured Loan (Bankers/Institutions) in the financial statements for the year. This is contrary to Indian Accounting Standard (Ind AS) 37 on "Provisions, Contingent Liabilities and Contingent Assets", issued by the Institute of Chartered Accountants of India and the accounting policy being followed by the Company. Had this accounting policy been followed, interest charged to revenue would have been Rs. 1,209.89 lacs. This short provision of Interest has resulted in loss for the year and Secured Liabilities being understated by Rs. 1,209.89 lacs.
- (f) We further draw attention to clause 'c' of Note No.4 in the financial statements. The Company has a net loss of Rs. 34.02 lacs (without providing interest of Rs. 1,209.89 lacs as mentioned at para (e) hereinabove during the year ended 31st March 2019 and, as of that date, the Company's current liabilities (including overdue term loans, working capital loan and interest accrued and due thereon) exceeded its current assets by Rs 2333.43 lacs and its total liabilities exceeded its total assets by Rs. 2333.43 lacs [without providing for interest of Rs. 6,795.20 lacs (Rs. 1,209.89 For financial year 2018-2019, Rs. 1,046.05 For financial year 2017-2018, Rs. 904.90 for financial year 2016-2017, Rs. 785.17 for financial year 2015-2016, Rs. 677.95 for financial year 2014-2015, Rs. 589.66 for financial year 2013-2014, Rs. 514.73 for financial year 2012-2013, Rs. 569.98 lacs for financial year 2011-2012 and Rs. 496.87 lacs for financial year 2010-11)]. These factors, along with other matters as set forth in to clause 'c' of Note No.4 in the financial statements, raise doubt whether the Company will be able to continue as a going concern. However, the accounts for the year have been prepared on the concept that Company will continue as a going concern.
- (g) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, except mentioned elsewhere in the report.
- (h) On the basis of the written representations received from the directors as on 31st March 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2019 from being appointed as a director in terms of Section 164 (2) of the Act;
- (i) With respect to the adequacy of the Internal Financial Controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in 'Annexure A';
- (j) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of Companies (Audit and Auditors) Rules 2014, in our opinion and to the best of our information and according to the explanation given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer to Note 4(b) & 4(c) to the financial statements;

- ii. The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT OF OXFORD INDUSTRIES LIMITED

(Referred to in paragraph 1(i) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Oxford Industries Limited (“the Company”) as of 31st March, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTE NO. 01: SIGNIFICANT ACCOUNTING POLICIES

i Basic Of preparation of Financial Statement

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS), under the historical cost convention, on accrual basis, the provisions of Companies Act, 2013 ('the Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under section 133 of the Act read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the relevant Amendment rules issued thereafter.

Effective April 1, 2017 the company has adopted all the Indian AS and the adoption was carried out in accordance with Ind AS 101, First time Adoption of Indian Accounting Standards, with April 1, 2015 as the transition date. The transition was carried out from Indian Accounting principle generally accepted in India as prescribed under Section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules 2014 (IGAAP), which was the previous GAAP.

ii Use Of Estimates

The preparation of the Ind AS financial statements in conformity with Ind-AS requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the Ind AS financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialised. Revisions to accounting estimates are recognized prospectively in the Statement of Profit and Loss in the period in which the estimates are revised and in any future periods affected.

Critical estimates and judgements

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the Ind AS financial statements.

iii Current versus non-current classification

The company presents assets and liabilities in the balance sheet based on current/ non-current classification.

All the assets and liabilities have been classified as current/non-current as per the Company's normal operating cycle and other criteria set out in Division II to Schedule III of the Companies Act, 2013.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Based on the nature of activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

iv Revenue And Cost Recognition

Revenue & Costs are recognised on accrual basis. Revenue recognition is postponed during instances wherein conditions for revenue recognition are not met. In case of uncertainty of receipt, recognition of revenue is postponed. Brokerage, turnover incentive & export sales commission accrues at the time of realisation from Debtors.

v Prior Period Items, Non-recurring & Extra-ordinary items.

Material items relating to prior period, if any, and non-recurring and extra ordinary items, if any, are disclosed separately.

vi Property, Plant & Equipment

Fixed assets are stated at cost of acquisition or construction. They are stated at historical cost less accumulated amortisation/ impairment/ depreciation.

On transition to Ind AS, the company has elected to continue with the carrying value of all of its property, plant and equipment recognized as at April 1, 2017 measured as per the previous GAAP and use that carrying value as the deemed cost of the Property, Plant and equipment.

Depreciation on Tangible fixed assets has been provided on straight-line method as per useful life prescribed in schedule II of the Companies Act, 2013. Land acquired under long term leases is not amortised.

In accordance with Ind AS 36, where there is an indication of impairment of the Company's asset the carrying amounts of the Company's assets are reviewed at each balance sheet date to determine whether there is any impairment. The recoverable amount of the assets is estimated, as the higher of its net selling price and its value in use. An impairment loss is recognized whenever the carrying amount of an asset or a cash generating unit exceeds its recoverable amount. Impairment loss is recognized in the profit and loss account or against revaluation surplus where applicable.

vii Investments

Long term investments are stated at cost. Provision for diminution in value of investments of permanent nature, if any, is provided for. Current Investments, if any, are valued at cost or market value whichever is lower.

xii Provision For Taxation

Provision for current Income Tax shall be made on the tax payable on the taxable income after considering tax allowances deductions and exemptions determined in accordance with the prevailing tax laws.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the Balance sheet and the corresponding tax bases used in the computation of taxable profit and are accounted for using the liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are generally recognized for all deductible temporary differences, carry forward tax losses and allowances to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, carry forward tax losses and allowances can be utilised. Deferred tax assets and liabilities are measured at the applicable tax rates. Deferred tax assets and deferred tax liabilities are off set, and presented as net.

Further, the company is paying taxes on the basis of deemed tonnage income therefore no impact on deferred tax.

xiii Foreign Currency Transactions

Monetary items denominated in foreign currency outstanding at the last date of the year are restated using the rates of exchange prevalent on that date. All exchange differences arising on settlement of transactions at period-end, restatement of monetary items are recognised in the Profit & Loss Account.

xiv Earning Per Share

Basic EPS excludes dilution and is computed by dividing net income available to common stock holders by the weighted-average number of common shares outstanding for the year.

xv Provisions, Contingent Liabilities and Contingent Assets.

No provision is recognized for any possible obligation that arises from past events and the existence of which will be confirmed only by that occurrence or non- occurrence of one or more uncertain future events not wholly within the control of the Company.

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using equivalent period government securities interest rate. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Ind AS financial statements. Contingent assets are not recognised. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

Contingent assets are not recognised but disclosed when the inflow of economic benefits is probable. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.
